Announces

A 30 HOUR HOME STUDY COURSE BASED ON

The changes in the 2017 National Electrical Code

Ohio Board of Building Standards approved for:
CBO, RBO, RPE, EPE, MPE, ESI, and ESI Trainee Part Two

This course may also be taken in preparation for the State of Ohio Electrical Inspectors Examination
As well as the O.C.I.L.B. State of Ohio Electrical Contractors Examination

Available formats: **1st Format** – A printed media for each test
2nd Format – A CD-ROM version for use on your home or office computer
3rd Format – On-line version for use on your home or office computer

Don't be left behind: This in depth study of the 2017 **National Electrical Code** is a must for everyone wishing to study the code without the pressure of a classroom study course.

Inspectors note:

A grade point average of 70% or higher is required by the Board of Building Standards before Continuing Education Credit Certificate may be received.

Course fee allows for the grading of each test two times, you may however take each test over again for an additional fee of \$25.00 for each test taken over two times.

Make check or money order for in the amount of **\$425.00** **Payable to Elaine's Educational Services, LLC**
